Mr. Randy Dixon
2041 W. Columbia Ave.
Phila. Pa.

Dear Sir:

I am writing to ask you to come to the meeting of
The Negro National Baseball League on Friday Feb. 2nd
at 509 Market St.

I had hoped to get to talk with you before the
meeting, and still hope to be able to. There are many
things I believe you would find of great interest, and
I would like very much to discuss them with you.

I would appreciate it if you will either come to
the meeting about noon, or call me and make an appoint-
ment when I can see you.

I imagine our Secretary has sent you an official
notice from the league office, but I wanted to talk to
you also.

Hoping to see you,

Very Truly Yours
